FROM LEWISTON, ID:

At Lewiston airport parking lot head north a few blocks until you come to Bryden Avenue, take a right and go east on Bryden about a mile until you come to Thain road, take a left and go north along thain, after a few miles Thain road turns into 21st street, continue on 21st street, you will cross a bridge just before leaving town, then the road turns into highway 12, stay on highway 12 for about 8 miles then take a left across the bridge to start heading south on highway 95 towards Boise/Grangeville. Stay on highway 95 for about 50 miles until you come to a town called Cottonwood, there will be a huge dog made out of wood, about 20 feet tall- can't miss it. Go about a ¼ mile past that and take a right off highway 95 onto main street, go a few blocks and take a left on Idaho street just past Bud's Saw Service. Go up the hill and cross the railroad tracks, the road then turns into Grave's Creek road, after about 20-25 minutes (roughly 13-14 miles) there will be a Y in the road by a dumpster, take the right and you should be at the Salmon River, it should be on your left, go along the river for about a mile and you will cross the river and start heading up Rice Creek Grade. Go for about another 30 minutes (roughly 12 miles) up to the top of the grade and there will be a blue house and corrals on your left, take a left and go about another 10 minutes (roughly 5 miles), the Joseph Schoolhouse is white and will be on your right about 50 yards off the road.

FROM BOISE, ID:

At Boise airport head west on I-84 for about 10 miles, then take a right and go north on Eagle road (also highway 55). Go about 5 miles along Eagle road and take a right to go east on Highway 44 bypass, then go a few miles and take a left and head north on highway 55 towards Lewiston/McCall. Then go about 120 miles north on highway 55 until you come to a town called New Meadows, take a right and get onto highway 95 and then go north another 65 miles and take a left on Old Highway 95 road, it is about ½ mile short of a town called Whitebird, there is a diner/gas station called Hoot's just past this turnoff. Follow Old Highway 95 for about a mile and you will take a left to cross the Salmon River, once across the bridge go straight on Canfield road and you will start heading up the grade, after about 20-25 minutes (roughly 10 miles) you will get to the top, the road Y's and take the left and go about another 35-40 minutes (roughly 16 miles), the Joseph Schoolhouse is white and will be on your left about 50 yards off the road.

FROM MISSOULA, MT:

Coming from Missoula airport take a right and head east onto Broadway street, go about a mile until you come to Reserve street (highway 93) and take a right and go south a few miles along reserve until you come to Brooks street (Highway 12), take a right and head out of town along Brooks street (Highway 12), go about 10 miles south on Highway 12 until you come to a town called Lolo, take a right and head west on Highway 12, there will be a big sign saying Lewiston, Id. You will go over Lolo pass and cross the Montana/Idaho border, then it is about 160 miles down Highway 12 until you reach highway 95, you will take a left and start heading south on 95, then follow above underlined directions from Lewiston.

FROM SPOKANE, WA:

Coming from Spokane Airport get on I-90 and head east about 5 miles and then take a right and go south on Highway 195, you will go about 100 miles south on Highway 195 until you reach Lewiston, about ¼ mile before Lewiston you take a left and head east on highway 12, then follow directions from Lewiston.
